Today we spent some time just having fun on the Nansemond River. We met at Bennett’s Creek Park and went out to the James River. The wind was blowing too hard to stay out there, so we went into the Nansemond River and spent the day in a cove behind Mr. Jeff’s house. We had some boats and a jet ski pulling tubes and wakeboards. Everybody had a lot of fun! Thank you to everyone who provided boats for us to have a good time!
