The Scout Camp we went to this year was at the Summit Bechtel Reserve but it was only a small portion of the camp (yet still very big), because the entire camp is enormous. We had about 40 Scouts from our Troop that went.
There were a lot of changes to camp because of COVID-19, but one important thing is that when we were walking to/from and doing our Merit Badges we all had to wear masks. Also, because of COVID-19, we all had our own tents and that was actually pretty nice.

For the meals of the day we had 3 of them. Breakfast at 6:30, Lunch at 12:00, and Dinner at 4:30.

Because of the restrictions due to COVID-19, the camp did a virtual campfire. Our leaders hung a sheet on the outside wall of the shower house and we watched the “campfire” when it was live streamed on YouTube.
