Lock-In

The Troop was supposed to go to the OBX for a climbing trip at First Flight Adventure Park. However, Hurricane Ian was passing by and our climbing trip got cancelled. Mr. Jeff and the Troop leadership instead offered a lock-in at Ebenezer UMC so that we could still do something. We were in the church's fellowship hall. While at the lock-in we played basketball, football and dodgeball. We had a room set up where we could go watch movies. We even ordered in pizza! When it was time to go to sleep, we threw our sleeping bags on the floor in the movie room. It was pretty fun to be able to do something instead of staying home during the storm. I wish I had taken some pictures for this event.
